

VALUE SOLUTIONS FOR KEYBOARDING FLEXIBILITY

The versatile Advantage keyboard platform is available with single or dual mouse surfaces and can be used in both straight and corner work center applications. The platform is constructed from durable ultra-thin phenolic and features a built-in document holder and cable management.

Advantage Single and Advantage Dual are both available as solo platforms or as part of complete systems that include our Pinnacle 2 Value keyboard arm with nylon glide track in 17" or 22" lengths.

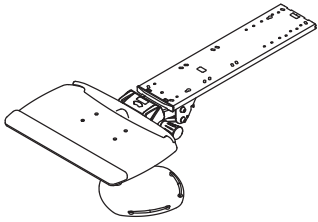

The Advantage Single and Dual platforms come with a Lifetime Warranty and can be relied upon to provide years of reliable, maintenance-free performance and reliability.

Advantage-Single can position the mouse platform on either the right or left hand side.
