

ADAPTABILITY & REACH

The Astra LED desk light features a sleek contemporary design with nearly 3 feet of extension from the base and delivers more than 130 footcandles of light to the work surface. The dual arm design combined with the 360° rotating head enables the user to place illumination exactly where it is needed.

The Astra LED features a neutral light color temperature and CRI of 85 to provide true to color lighting. The push button control allows users to quickly turn the light on and off and provides easy, continuous dimming of the light from 100% to 5%.

The Astra desk light comes with a 5 year warranty and can be relied upon to provide years of dependable, adaptable task lighting.

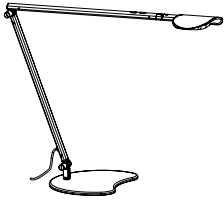

Triple joint design reaches exactly where you need light.

Available in 5 mounting options to cater to your office needs.
